- In-lab time is 3-4 working days.
- Auto Custom Prints can be printed from 35mm negatives, 35mm slides, medium format negatives, and medium format transparencies, and digital files.
- Auto Custom Prints are digital photographic process that prints images to photographic paper in matte or glossy surfaces.
- Optional services include scanning to an indexed CD-ROM, special borders, text additions and other specialized options. Please inquire with our staff for specific options.
- For best quality, digital files should be saved at 300dpi at final print size, in tiff or jpeg file formats sRGB color space, not Adobe RGB.
- Image sizes that do not fit into standard print sizes will be printed with odd size borders. Please size and crop images for final output.
- Largest print size is 12x36.
- Minimum Wallet order is 4 per image.
- Quantity prices based on same negative.
- There is no first-print charge on orders of 20 or more from the same negative.
- For larger quantities, please call for quote.
