- In-lab time is 24 hours; large quantity orders may require more time
- Negatives & transparencies, 35mm or medium format
- Images are 294 dpi at scan size; MB sizes are approximate and depend on the proportion of your image
- Scans are saved as jpg or tif files; **tif files on full roll scans are double the price**
- \$10.00 Minimum; Prices include CD; * Add \$3.00 per roll for cut rolls

- In-lab time is 24 hrs.
- Add 50% for services desired in less than 24 hours. (All rush services are dependent upon machine availability.)
- Scanning is priced per each individual scan.
- A completed order form must be filled out specifying precise details related to output resolution, physical dimensions and color mode.
- See our staff for assistance in completing the appropriate order form.

Liability

- The Image Source makes no warranty, expressed or implied, as to the suitability of the scan for your particular needs.
- The Image Source assumes no responsibility for the scan, beyond an equal replacement of the original order within the same time frame as the order was originally placed.
- Although the greatest care is taken, on rare occasions materials get damaged during scanning. The Image Source is not responsible for damage to original materials. Whenever possible, please provide duplicate or reproducible materials.
